Shadows fallin' in my room  
Ghost riders dancin' on the moon  
Night is closin' in again  
Clutchin' to my tremblin' bed  
Call your name 'til I'm out of my head  
Walkin' the backstreets, lookin' for clues  
I got to get you back  
If it's the last thing I do  
I-I'll go walkin' in a hurricane  
I'll come crawlin' in a drivin' rain  
I'll keep searchin' 'til I go insane  
I got to have your love  
Lookin' out across the lights  
I know you're out there  
Runnin' with the night  
'Round and 'round, a moth to the flame  
And when I finally get you home  
It's just a matter of time 'til you're gone  
Heartache and shadow draggin' you down  
This chain around your heart  
Gonna put you in the ground

(repeat 1)

Everytime you go away

I got the same old wild goose chase

Hangin' on to misery

I should-a quit you long ago

Just packed it up and hit the road

I'm just a junkie, addicted to the flame

I'm hooked on the danger, I can't quit this game

(rpt 1, 1)
