Peverett / Price - Knee Trembler Music, Inc - ASCAP

Standing on the bridge, peeking through the crack,
See the Golden Arrow go rollin' down the track,
Must've been the fastest train I've ever seen,
Eyes wide open as I watch that gold machine.

See the train comin' and I heard the whistle blow,
Like a flash of' lightnin', the arrow shinin' gold,
Felt so excited, left my troubles way behind,
See the Golden Arrow go rollin' down the line.

Rollin', rollin' in the rain -
Rollin', rollin' in the rain -
Rollin', rollin' in the rain -
Will I ever ride that train?

Dark clouds rollin', it's another rainy day,
Early in the morning, I have to get away,
Standing on the bridge and I'm feelin' kinda sad,
Line's all deserted and I feel so bad.

Rollin', rollin' in the rain - Rollin', rollin' in the rain,
Rollin', rollin' in the rain -
Will I ever ride that train?

{Rod - solo}

Yea-ee-yea
Rollin', rollin' in the rain - Rollin', rollin' in the rain,
Rollin', rollin' in the rain -
Will I ever ride that train?

{Instrumental}

Rollin', rollin' in the rain - Rollin', rollin' in the rain
Rollin', rollin' in the rain -
Will I ever ride that train?

Yea,
Whoo!

Gotta keep rollin'!
