I've made up my mind, and here's my decision,
I'd like to share with you, all of my secrets and my religion.

I want you to see, oh how sweet I could be.
Oh, I just got to get to know you, I just got to get to know you.

You've got what it takes, whoa there's no denyin',
I see in you a dream come true, Lord, you're life to the dying.

I want you to see, oh how sweet I could be.
Oh, I just got to get to know you, I just got to get to know you.

In my life there's an empty slot,
Oh now I believe you can fill that spot.

But I just got to get to know you, I just got to get to know you,

Blessed are the days I spent with you,
Realizin' precious moments we never knew.
Right now I'm just imagining this thing,
But would you believe the joy it brings.

I just got to get to know you, I just got to get to know you.

I'm gonna get you and hold you tight,
I want to hold you baby in the middle of the night,
Because I need, I need you baby,
I need, I need you by my side,
I need, I need, I need you to keep me satisfied,
Gonna hold you, I'm gonna to squeeze,
I'm going to love you,
I've made, I've made up my mind,
I said I've made, I've made up my mind,
You got it, you got what it takes,
You got, you got what it takes,
I see, I see in you a dream,
I see, a dream come true.
