The road that I travel is foggy and wide,
I lost my direction, I'm wanderin' from side to side.

Heart beatin' fast, feet movin' slow,
No time to lose, but I sure got a long way to go, long
way to go.

Rough is the road, dark is the night,
I ain't gonna rest 'til I see the big city lights.

Temperature's high, spirit is low,
No time to lose, but I sure got a long way to go, long
way to go,
No time to lose, but I sure got a long way to go.

{Instrumental}

I feel so tired, I feel so sad,
I need a rest, but that's too bad, I gotta keep movin'.

{Instrumental}

I feel so tired, I feel so sad,
I need a rest, but that's too bad.

Pain in my heart, dust in my shoes,
Ache in my body, I got the travelin' blues.

How many miles, nobody knows,
No time to lose, but I sure got a long way to go, long
way to go,
No time to lose, but I sure got a long, long, long way to
go.
