Peverett / Price / Jameson

Shanghaied at midnight, to some sleazy motel,
The blonde leading the blind, ah, she does it so well!
A view of the highway, four walls and a bed,
She's taking me down now and I'm so easily lead.
She's got me right there where she wants,
Where she can work me all night long.

Motel shaker, tangled in sheets, the more she gets, the
more she needs.
Motel shaker, shaking the walls, three in the morning
and she wants it all.

She puts on her red dress and that's a dangerous sign,
With her first-rate body and her one-track mind.
Heart shakin' like an earthquake, just a little more fun,
When you think it's all over, well she's hardly begun.
She don't care what they can hear next door,
She just wants to get what she came for.

Motel shaker, tangled in sheets, the more she gets, the
more she needs.
Motel shaker, shaking the walls, the neighbors are
knockin', but she ain't stopping.

Motel shaker, tangled in sheets, the more she gets, the
more she needs.
Motel shaker, shaking the walls, three in the morning
and she wants it all.

{Rod - Slide Solo}
Woo! Yeah! Shake it baby!

She loves to shake me all night long,
But in the morning she'll be gone, she'll be gone.

Motel shaker, tangled in sheets, the more she gets, the
more she needs.
Motel shaker, shaking the walls, the neighbors are
knockin', she ain't stoppin',

Motel shaker, tangled in sheets, the more she gets, the more she needs.

Motel shaker, shaking the walls, they keep on knockin', but she ain't stoppin'.

Motel shaker, motel shaker
Motel shaker, motel shaker...
