Music - ASCAP

Stick 'em up!

Undercover of the silver moon, run for cover,  
There's a lover with a magic gun,  
Gonna work you over, roll you in the clover.

'Cause he's a rock and roll outlaw with a six string gun,  
stealin' love for fun,  
Sayin' c'mon baby, let's ride tonight, until the risin' sun

We gotta ride, ride, ride, ride, ride.

When I spot you, put your love in my hands, 'cause I got  
you,  
When I catch you, won't know how to behave,  
My heart is drummin', and trouble is comin'.

'Cause I'm a rock and roll outlaw with a six string gun,  
stealin' love for fun.  
When I go down baby, goin' down for love, so let the  
beat go on,  
Shoot 'em up now baby!

{Instrumental}

After midnight, when the beat is strong by the  
moonlight,  
After midnight, though I know it's wrong,  
I have me a lover, and then I start on another.

'Cause I'm a rock and roll outlaw with a six string gun,  
stealin' love for fun,  
Sit back baby, 'cause I need all night, until the job is  
done.

And I'm a rock and roll outlaw with a six string gun,  
take your love and run,  
Sayin' c'mon baby let's rock tonight, Well let the beat

go on.

I'm a rock and roll outlaw, woo  
Gonna roll you over, yeah  
C'mon baby, yeah,  
C'mon baby, well, well  
Well I'm a rock, rock, rock ,rock  
Rock, rock, rock, rock, rock  
A rock and roll outlaw  
C'mon baby, woo hoo!  
Stick 'em up, woo hoo  
Put your hands up high...
