You came down to the water
obviously where it falls off
apparently you were misinformed
of a prophetic circumstance

If only I could feel you start to breathe
if only I could see you breathing

You came down to the water
I saw it and you knew too well
but still so unsuspecting
despite my premonition
when the time comes we'll drain it
swallow it to maintain
I'm sorry but I...

COULDN'T STOP THIS FROM HAPPENING

Tell me now is it hard to breathe
with your lungs filled with water bitch
do you find it hard to speak with your head held
UNDERNEATH THE SURFACE
oblivious to what I said
take my foot off the back of your head
trying to raise sunken dreams
reminding you to breathe
The motivation to wake up
moving up and into you
forced to grasp the concept
of how you will be consumed
that rest, that breath
that unmistakable face
apologies for everything
but I...

COULDN'T STOP THIS FROM HAPPENING

AWAKE the sleeping beast
temperamental monster
try to keep it dormant
JUST AS YOU FLOAT AND IT REMAINS
forgiveness is a virtue

a virtue you;ll never learn
I wish I could take it back...

BUT NOW IT'S JUST TOO FUCKING LATE
