My oh hell gonna burn again
then oh dear gonna drive crazy
in this ..you losted in the fire
then you say you're lost in the .flame
boy my only desire
so you don't have to give a nae

you're alright, you're alright,
you're alright, do you know ?
you're alright, you're alright,
you're alright, do you know ?

If I give you everything you want to
If I gave you all you sya I should
every mountain left in me by old years
smokign grass and ..

you're alright, you're alright,
you're alright, do you know ?
you're alright, you're alright,
you're alright, do you know ?

My oh the hell gonna burn me day

then you say you're losted in the flame
put the mountain on desire
so then you don't have to give a name

you're alright, you're alright,
you're alright, do you know ?
you're alright, you're alright,
you're alright, do you know ?
