Man, sometimes I feel like giving up
Other times a nigga feel good as fuck
Sometimes a nigga don't know who
Girl, no more, sometimes need to broke up
Sometimes a nigga gotta call a freak
Come on girl, help a nigga clear his head
Damn, I had a main girl and my side girl
In the same week, in the same bed!
I think I need a vacation
Wait, ain't a nigga on vacation?
Jumped on a plane, left Jersey to LA
Damn, I'm on offense, stay hating!...
Tried to play my part, but I hate waiting
How the fuck I'mma stay patient?
The crib I grew up, no play station!
All my bitches complaining, all these niggas is faking
I don't know what to do, my family praying for
payments!
Man, I swear I'll be going hard, no body but the
feeling
Made a beat up in my bedroom, now they got it on the
TV
People think I'm still plain, fuck this all said
All men, y'all been starting all this with the wrong men
I was starving, now we're star vans
Pile em up, about to do a show, my team all in!

Hook:

Baby, asking me where I get my motivation from
Said I came from a place where it's hard to see the
sun
I just try to make you wet, people say I changed
You know I gotta say, you get on my fucking nerves, my
fucking nerves!
You get on my fucking nerves, my fucking nerves!
You get on my fucking nerves, my fucking nerves!
You get on my fucking nerves, my fucking nerves!

Oh, no! Imagine I'm having no dough
Imagine I'm growing up broke
Mammy tried to go to the store

Only got a pocket full of hope!
Lord help a nigga, Iâ€™mma go
Crazy on the real, I donâ€™t know
Pray a nigga hit the lotto
Iâ€™m praying to the Holy Bible
Nigga, itâ€™s five in the mo
At work I donâ€™t want to go
What a fuck going on!
Imagine whole drop full of beats
All them shits eat shits
Wait till them niggas see theâ€¦
... checking for your MP3!
What Iâ€™m gonna do for?
Got a little flow, turn it up, nigga focus on you!
All them niggas that was bullshit and put your middle
finger up
Tell the mother fuckers jokers on you!
Niggas was not know Iâ€™m worth like a million
I will rap circles around all these children
I was just chilling, humbly chilling
But now Iâ€™m riding with DJâ€¦
What it do, my nigga? Ha, look at you my nigga
You gonna turn this lil business to the crew, my nigga!
Got a little house with the pool, my nigga
Youâ€™re the truth my nigga!
Imagine how hard I gotta go
I got heat, yâ€™all donâ€™t even know
Imagine me on the phone like three years ago
Talking about our dreams, now youâ€™re selling out
shows
I was making beats all in my momma home
I rememberâ€¦ and being like yâ€™all
Iâ€™ve been watching you on youtube since 04
Damn, guess dreams really come true!
