Yo, jig it out

Verse 1:

When I rock it's like a de ja vu
Revolution feel acu
When I grab this mic device and flip on all these f'n
crews
I'm down for writers, breakers movers and shakers
Alluminators
Somebody save us and take us to God who made us,
blow
Liquor shot, this is Hip-Hop, if I move to the east it still
won't
Cease
So yo I don't stop,
You get dropped by sonic waves caught in the maze
ancient
Days
Heart of a lion fire ablaze 'cause

Chorus X2:

No time
So close
But it seems that there's just one blood
That's why
Don't go
It's the one thing you can't think of

See what they were doing was...enclosed...rooms and
corporate
Structures
They were doing experiments on emcees, so I broke
out, and I came like this, yo

Chorus X2:

This is homicide
Useless homicide
This is homicide
Useless homicide
This is homicide
Useless homicide
This is homicide
