wen your lips toched mine  
i knew it was kiss kiss  
all over again  
wen my manna went out  
and my daddy was fine  
it was kiss kiss  
all over again

ellie was cillin whith  
the thing called luke  
alisha was hasseld by  
adem again

but wen your lips tougched mine  
i new it was kiss kiss  
all over again  
wen my mamma went out  
and my daddy was fine  
it was kiss kiss  
all over again

oliva whith james  
wat a laugh  
hana joken  
whith her jack

but when your lips toched mine  
i new it was kiss kis  
all over again  
wen my mamma went out  
and my daddy was fine  
it was kiss kiss  
all over again

me and you together  
at last  
me and you toghether  
at last
