Rollin stone  
Nothin' but a rollin', rollin' stone, just a rollin' stone  
Rollin' stone, just a rollin' stone  
Rollin' stone, just a rollin' stone  
One day you'll be all alone

Rollin' stone  
Rollin' stone, just a rollin' stone  
One day you'll be all alone

You'll never gather moss  
You'll win a love and gain a loss  
You will look all around  
And that lost love cant be found

Rollin' stone  
Rollin' stone, just a rollin' stone  
One day you'll be all alone

You're out with one girl tonight  
And then you've changed before daylight  
Your heart is always in flight  
Now ask yourself, is that right

Rollin' stone  
Rollin' stone, just a rollin' stone  
One day you'll be all alone

When you're old and all alone  
With no one to call your own  
Maybe then you will see  
Just how wrong you can be

Rollin' stone  
Rollin' stone, just a rollin' stone  
One day you'll be all alone

Don't make your life one big fling  
Give wedding bells a chance to ring  
Why wait too late too late  
Both candle ends you just don't burn

Rollin' stone  
Rollin' stone, just a rollin' stone  
One day you'll be all alone  
Rollin' stone, just a rollin' stone  
One day you'll be, you'll be, all alone
