(Verse)

Im stuck in the world i live in  
Unfashioned with my pain and strife  
Unspoken words and unknown feelings  
Here is my 6 string explanation

(Verse2)

Jammed in between these tight spaces  
Creates time to think about you  
I think, of your many faces  
And which one is really you.

(Chorus)

Stuck between the corners, the bindings on the wall  
Stuck between 2 people, knowing one will fall  
I know that I love you, but I swear I love her 2  
Stuck between 2 people, what the hell am I to do?

(Verse3)

Love can make 2 outcasts, join as one  
Love can make one, break to 2  
Im stuck in this world I live in  
I think that your stuck 2

(Chorus)

Stuck between the corners, the bindings on the wall  
Stuck between 2 people, knowing one will fall  
I know that I love you, but I swear I love her 2  
Stuck between 2 people, what the hell am I to do?

(Chorus)

Stuck between the corners, the bindings on the wall  
Stuck between 2 people, knowing one will fall  
I know that I love you, but I swear I love her 2  
Stuck between 2 people, what the hell am I to do?
