### "Summer Wind"

All summer long, we sang a song and we strolled on  
golden sand

Two sweethearts, and the summer wind

Like painted kites, those days and nights they went  
flyin' by

The world was new, beneath a blue umbrella sky

Then softer than a piper man one day it called to you

I lost you, I lost you to the summer wind

The autumn wind, and the winter wind they have come  
and gone

Still the days, those lonely days that go on and on

Guess who sighs his lullabies through nights that never  
end

My fickle friend, summer wind, summer wind

Oh, summer wind, summer wind
