Open Your Eeys  
Featuring Kelly Price

Min bi do t? la  
Gb? fib dit? joib nub kiii  
Min bi do t? la  
Mon djin nou bi kanan non an

I've lived my life sometimes pretending  
The world is fine  
No one is needing

Afo nan sogb? nou wanyinyin in in lo  
Azo do gb? wou  
Do gbe sin dagb? ba w? min bi d?

Down in my soul I hear you calling  
Open your heart and just let love in

Because the world has another face  
Because the world has another face  
Open your eyes  
Open your eyes

Ali ga ho de man nan do mint?  
Azo do gb? wou  
Nou min nan kpl? gb?to l? bi do kpoooo

We need to love each other freely  
Remove the blinders, so we can see

Afo nan sogb? nou wanyinyin in in lo  
Azo do gb? wou  
Do gbe sin dagb? ba w? min bi d?

I lift my voice so I can show you  
There's so much more in life  
We can do

Because the world has another face  
Because the world has another face
