Min bi do tã© la
Gbã" fib ditã© joib nub kiii
Min bi do tã© la
Mon djin nou bi kanan non an

I've lived my life sometimes pretending
The world is fine
No one is needing

Afo nan sogbã© nou wanyinyin in in lo
Azo do gbã" wou
Do gbe sin dagbã© ba wã" min bi dã©

Down in my soul I hear you calling
Open your heart and just let love in

Because the world has another face
Because the world has another face
Open your eyes
Open your eyes

Ali ga ho de man nan do mintã©
Azo do gbã" wou
Nou min nan kplã© gbã"to lã" bi do kpoooo

We need to love each other freely
Remove the blinders, so we can see

Afo nan sogbã© nou wanyinyin in in lo
Azo do gbã" wou
Do gbe sin dagbã© ba wã" min bi dã©

I lift my voice so I can show you
There's so much more in life
We can do

Because the world has another face
Because the world has another face
Open your eyes
Open your eyes
