Well I stand up next to a mountain  
Chop it down with the edge of my hand  
Well I stand up next to a mountain  
Chop it down with the edge of my hand  
Pick up the pieces and make an island  
Might even raise a little sand

'Cause I'm a voodoo child  
Lord knows I'm a voodoo child

I didn't mean to take up all your sweet time  
Give it back to you one of these days  
I didn't mean to take up all your sweet time  
Give it back to you one of these days  
If I don't meet you again in this world  
Then I see you in the next one  
Don't be late

'Cause I'm a voodoo child  
Lord knows I'm a voodoo child
