China in Your Hand

From the album Bridge of Spies by T'Pau

Written by Carol Decker and Ron Rogers...

Verse 1

It was a theme she had

On a scheme he had

told in a foreign land

To take life on earth

To the second birth

and the man was in

command

It was a flight on the wings

Of a young girls dreams

That flew too far away

And we could make the monster live again

Oh hands move and heart beat on

Now life will return in this electric storm

A prophecy for a fantasy

The curse of a vivid

mind

Don't push too far

Your Dreams are china in your hand

Don't wish too hard

Because they may come true

And you can't help them

You don't know what you might

Have set upon yourself

China in your hand

Come from greed

Never born of the seed

T

ook life from a barren hand

On eyes wide

Like a child in the form of a man

A story told

A mind of his own

An omen for our time

We take a flight on the wings of fantasy

Then you push too far

And make your dreams reality

Yeah! china in your hand

B

ut they're only dreams  
And you shouldn't push too far
