Lita:

Baby, I get so scared inside and I don't really
understand,

Is it love that is on my mind, or is it fantasy

Ozzy:

Heaven, is in the palm of my hand, and its waiting here
for you

What am I supposed to do w/a childhood tragedy

If I close my eyes forever, will it all remain unchanged

If I close my eyes forever, will it all remain the same

Sometimes its hard to hold on, so hard to hold on to my
dreams

It isnt always what is seems when your face to face
w/me

Lita:

Your like a dagger, you stick me in the heart and take
some blood from my blade

And when we sleep will you shelter me in your warm
and dark engrave

If I close my eyes forever, will it all remain unchanged

If I close my eyes forever, will it all remain the same

Will you ever take me?

Ozzy:

No I just cant take the pain

Lita:

Would you ever trust me?

Ozzy:

No ill never feel the same

Lita:

I know ive been so hard on you, I know ive told you lies

If I could have just one more wish, Id wipe the cobwebs
from my eyes

If I close my eyes forever, will it all remain unchanged

If I close my eyes forever, will it all remain the same

Ozzy:

Close your eyes, close your eyes, you gotta close your
eyes for me
