Baby

I get so scared inside, and I don't really understand

Is it love that's on my mind, or is it fantasy

Heaven

Is in the palm of my hand, and it's waiting here for you

What am I supposed to do with a childhood tragedy

If I close my eyes forever

Will it all remain unchanged

If I close my eyes forever

Will it all remain the same...

Sometimes

It's hard to hold on

So hard to hold on to my dreams

It isn't always what is seems

When you're face to face with me

You're like a dagger

And stick me in the heart

And taste the blood from my blade

And when we sleep, would you shelter me

In your warm and darkened grave

If I close my eyes forever

Will it all remain unchanged

If I close my eyes forever

Will it all remain the same...

Will you ever take me

No, I just can't take the pain

But would you ever trust me

No, I'll never feel the same...Ohh...

(solo)

I know I've been so hard to you

I know I've told you lies

If I could have just one more wish

I'd wipe the cobwebs from my eyes

If I close my eyes forever

Will it all remain unchanged

If I close my eyes forever

Will it all remain the same...

Close your eyes

Close your eyes

You gotta close you eyes for me
