"Only Women Bleed"

Man's got his woman
To take his seed
He got the power
She got the need.
She spends her life through
Pleasing up a man
She feeds his dinner on
Anything she can.
She cries alone at night too often
He smokes and drinks and don't come home at all.
Only women bleed
Only women bleed
Only women bleed.
Man makes your hair grey
He's your life's mistake
All you're really looking for
Is an even break.
He lies right at you
Ya know ya hate this game
Slaps you once in a while
And you live and love in pain.

She cries alone at night too often

He smokes and drinks and don't come home at all.

Only women bleed

Only women bleed

Only women bleed

Only women bleed.

Only women bleed

Only women bleed

Only women bleed.

Man's got his woman

To take his seed

He got the power

She got the need.

She spends her life through

Pleasing up a man

She feeds his dinner on

Anything she can.

She cries alone at night too often

He smokes and drinks and don't come home at all.

Only women bleed

Only women bleed

Only women bleed

Only women bleed.

Only women bleed

Only women bleed

Only women bleed.

Black eyes all of the time

Don't spend a dime, clean up this grime

And you there, down on your knees

Begging me please, come watch me bleed.

Only women bleed

Only women bleed

Only women bleed

Only women bleed.

Only women bleed

Only women bleed

Only women bleed.
