ooh...  
You know I see you watching me  
I know you're getting into me, boy  
Come 'n tell me what you want, what you want from me

(ooh ooh)  
ooh ooh, come on  
(ooh ooh)  
come on, come on  
(ooh ooh)  
Whatcha want

All the funny little things you do  
They make me wanna get hot with you  
'Cause you keep me calm, keep me satisfied -  
hhheeyyy  
Bring your lovin' here to my backdoor  
Won't take you long, you'll ask for more  
It's time for me to let you see  
Ooohhh, baby

CHORUS:  
(ooh ooh)  
You know I see you watching me  
(ooh ooh)  
I know you're getting into me  
(ooh ooh)  
Come 'n tell me what you want from me  
Whatcha want from me (whatcha want from me)  
(ooh ooh)  
You know I see you watching me, yeah  
(ooh ooh)  
I know you're getting into me  
(ooh ooh)  
Come 'n tell me what you want from me  
Whatcha want from me (whatcha want from me)

Can't deny that you've been walkin' by  
Then again can't say that I've been shy  
But a girl's gotta know just what she wants...oooohhhh  
Gonna give you all the love I got, for a day or two then

maybe not  
Gotta feel it up to let this be (you and me)

Repeat CHORUS

TeeeeeIII mmee...please babe, tell me  
What you want, you know you need  
Tell me, oooh  
(ooh ooh... tell me)  
(ooh ooh... please tell me)  
(ooh ooh... tell me, tell me boy)

Repeat CHORUS 4 X till fade
