Here comes the pain again
Breaking up my heart, it's a tragedy
Breaking up my heart, it's the worst emotion
Here comes the pain again

I had my feet on solid ground
Was doing fine till you came back around
Boy, All your promises are lies, No
I don't know why, why I waste my time

Somebody take the pain away
It's hurting my heart and I can't take it
Somebody take the pain away
Get out of my life or I'll go crazy
Crazy, crazy.... ohh oh
You wouldn't give me back my life
Taking the wrongs and trying to make e'm right, right
You're too pathetic for my love, oh, oh
you played your game and boy I had enough of you
Messing with my head
all the things you said
Running Back to me
telling me your dream
I never wanted it to be this way
'cause it's killing me
Gotta set you free....

Somebody take the pain away
It's hurting my heart and I can't take it
Somebody take the Pain away
Get out of My Life
Or I'll go Crazy Crazy, Crazy, Crazy, Crazy, Crazy.....

(Here Comes the Pain Again)
Here Comes the Pain Again
Breaking Up my Heart, it's a tragedy
Breaking up my heart, it's the worst Emotion
Ooo-Yea-yea
Here Comes the Pain Again
Breaking up my Heart, it's a tragedy
Breaking up my heart, it's the worst Emotion

Somebody take the pain away
It's hurting my heart and I can't take it
Somebody take the Pain away
Get out of My Life
Or I'll go Crazy (Repeat)
(Here comes the pain again
breaking up my heart it's a tragedy
breaking up my heart, it's the worst emotion
Here comes the pain again)
Here comes the pain again
breaking up my heart, it's a tragedy
