I remember, how I shared my dreams with you  
I remember, that I gave my dreams to you,  
Still remember, getting lost inside of you  
Still remember, revealing something new

I know you stopped believin and I need to know.

Did you ever love me, did you ever need me, like the  
way I needed you  
Did you ever love me, did you ever hear me, didn't you  
know that I needed you  
Did you ever feel me, did you ever see me, I gave it all,  
all to you  
I gave it all to you

When you're smilin, I begin to feel the pain  
I know you're lyin, but my love for you smothers the  
shame  
Still believin, I'm feelin somethin new.

I know you stopped believin and I need to know.

Did you ever love me, did you ever need me, like the  
way I needed you  
Did you ever love me, did you ever hear me, didn't you  
know that I needed you  
Please, feel me, see me, You know I gave it all, all to  
you  
I gave it all to you

Did you ever love me, did you ever need me, like the  
way I needed you  
Did you ever love me, did you ever hear me, didn't you  
know that I needed you  
Please, love me, did you ever need me, like the way I  
needed you  
Did you ever love me, did you ever hear me, didn't you  
know that I needed you
