I look around and what do i see
So many times its the broken hearted
I wish that i could set them free
But i dont know how
Everyone's so concerned with their lives
They waisting time never getting started
To find out what life is about
And i dont know why

Can't you see the way that its meant to be

(Chorus)

Everyone needs somebody
Everyone's looking for a loving heart
Let the fantasy in you come out in the blue
Everyone needs somebody
Everyone's looking for a place to be
Let the fantasy in you come out in the blue

I look around on a saturday night
I'm calling out to the broken hearted
Do you believe in the power of love
The way i do
Tell me why your concerned with your life
Your waisting time never getting started
To find out what life is about
I just dont know why

Can't you see the way that its meant to be

(Chorus)

Everyone needs somebody
Everyone's looking for a loving heart
Let the fantasy in you come out in the blue
Everyone needs somebody
Everyone's looking for a place to be
Let the fantasy in you come out in the blue

And i wish for the world
That my voice , my voice will be heard
So come on , just take my hand

Let me show you the way
The way of love

(Chorus)

Everyone needs somebody
Everyone's looking for a loving heart
Let the fantasy in you come out in the blue
Everyone needs somebody
Everyone's looking for a place to be
Let the fantasy in you come out in the blue
