They said the time is right, for us to start our mission  
We're set to kill and fight, one law, one decision.  
They created reasons.

Pentagram the devils sign,  
In the circle of destruction,  
Evil lords are trading souls.

Pay back time, time to pay back mine  
We are losing time, killing time we wasted  
Lonely souls, Pay back time, time to pay back mine  
We are losing time, killing time we wasted  
Lonely souls

They put death in hand, they know why we're here  
Don't think just believe, we can't win with fear  
They created evil.

Pentagram the devils sign,  
In the circle of destruction,  
Evil lords are trading souls.

Pay back time, time to pay back mine  
We are losing time, killing time we wasted  
Lonely souls, Pay back time, time to pay back mine  
We are losing time, killing time we wasted  
Lonely souls

Soldier, is it real ? can you feel ? I'm by your side, you  
can not die.

Pay back time, time to pay back mine  
We are losing time, killing time we wasted  
Lonely souls, Pay back time, time to pay back mine  
We are losing time, killing time we wasted  
Lonely souls

Pay back time, time to pay back mine  
We are losing time, killing time we wasted  
Lonely souls, Pay back time, time to pay back mine  
We are losing time, killing time we wasted

Lonely souls
