"You"

I came to this place, and could not believe you were
hiding
I wonder if you listen to me, hear the words I'm sayin

Where have you been, so many questions left
unanswered
Angel of sin, are you really in my mind.
I need to know now.

You, tell me the truth, tell me the secret of that illusion
Life, is it a dream, is it a fantasy?
You, tell me the truth, hiding the meaning of life
forever
Hey, I'm talking to you, can you hear me now.

I'm losing my faith, day after day my world is slowly
dying
If I can't ask how do I know you ain't lyin

Where have you been, so many questions left
unanswered
Angel of sin, are you really in my mind.
I need to know now.

You, tell me the truth, tell me the secret of that illusion
Life, is it a dream, is it a fantasy?
You, tell me the truth, hiding the meaning of life
forever
Hey, I'm talking to you, can you hear me now.

You, tell me the truth, tell me the secret of that illusion
Life, is it a dream, is it a fantasy?
You, tell me the truth, hiding the meaning of life
forever
Hey, I'm talking to you, can you hear me now.

You, tell me the truth, tell me the secret of that illusion
Life, is it a dream, is it a fantasy?
You, tell me the truth, hiding the meaning of life
forever
Hey, I'm talking to you, can you hear me now.
