It's the return of the Boneybone, patnas trippin'
Cuz I'm dippin' in my Lincoln, plus I'm pimpin', still
sittin' on chrome
Bringin' you that gospel sound that make you wanna
boogie woogie
Move ya body around, whether you crips, bloods,
pimps, thugs
It don't matter, I know you feelin' this mug, gospel rap
with a gangsta twist
In tha mix, like a blender, these funkadelic sounds
make you wanna get down
We get it crumpin' from tha club in, to tha church, got
'em jumpin'
Even gangstas be lovin' tha sounds of Mista Chase be
dumpin'
It be something that you never heard, 2010 gangsta
beats with the holy word
So get down, cuz we came here to make ya move,
boogie woogie oogie
And feel the groove, so relax to the rhythm, feel the
beat and get down
To this gospel alpha mega funky boogie disco music
sound

Chorus

Gopelalphamegafunkyboogiediscomusic
Awaa nuttin' but the ghost in me
Supergroovalistic hits ya see

I'm still reaching through preachin' and teachin',
speakin
Not only every weekend, but each and everyday I'm
breathin'
In or out of season, believen' tha reason, these
demons is leavin'
Seizen', and not retrievin' is because tha name of Jesus
that I be screamin'
Make ya wanna holla, pop ya collar, you didn't know
dogg
You listening to a rap scholar, but I never got A's or D's
I'm from the west where we only got B'S and C's, G's
and thieves

Infested with this gang disease, PCP, and rydas quick
to pull and squeeze
Ohh weee, I'm tryin' make the music for the people,
Christians in the church
Or tha thugs in the Regals, Latinos, Blacks, Whites, cuz
we all created equal
Ohhh wee, who'd thought east and west, cursed to
blessed, tha Boneybone and KRS
