Glory to the king of my life,
Only you are holy.

You are the life in me,
You are the light that shines inside of me,
All praise and glory to your name,
I will give to you my life, and anything that you require,
oh Lord.

I'm giving all praises up to the lion of Judah, Alpha,
Omega, plus the El Shaddai,
Elohim, Yahweh, Messiah, Y'shua, (what about the
Adonai?)
Something about the name, (Jesus)
That makes me go insane, (Jesus)
Saved my soul from burning flames, (Jesus)
And he broke them devils' chains, (Jesus)
Glory, glory - how are you doing to me, not being
worthy?
You could have saved your son,, Jesus Christ, instead
you sent him for me,
He gave his life for a sinner like me, threw my sins in
the sea,
He died, he died, he was dead...but he rose in three.

Glory to the king of my life,
He is alive, he is alive,
Glory to the king of my life,
Only you are holy.

Surrendering my will, desiring you to fill me with your
love,
I live to serve my living king, only I bow,
Please show my how to love the world the way you love.

Me giving praises and honour, glory, thanks unto the
King of kings, whose precious blood is more than cars,
houses, and diamond rings,
Give him praise and raise your hands, and magnify
him with the song and the dance and a...
Give him praise on the harp and the microphone,
tambourines, cymbals, drums, and the xylophone,

Gotta give him praise,
Gotta give him praise for the things that he did when
walked onto Calvary, and died on the cross when he
took my place,
He is alive, he is alive.

Giving all honour and glory unto the King of kings and
the Lord of lords.

Glory to the king of my life,
He is alive, he is alive,
Glory to the king of my life,
Only you are holy,
Glory to the king of my life,
He is alive, he is alive,
Glory to the king of my life,
Only you are holy.

Giving all praise to the most high God,
The Father, you know what I mean?
