Sparkle and shimmer while flowing the

river down the stream of I

One more inspired moment

meets me on the way

down to the source

we know is all ending

and beginning once again

Sand notes run drippy

Smooth notes are grit

Sparkle and shimmer

While flowing the river

Down the stream of I

I see it coming from the edge of the void

Always random and blipping

All or nothing

Like a donut of jelly

Arching its middle

Quantum jumping the puddle

Riding the grid

Riding the word

Writing this word
