You know I love you, can't stand the way you do  
You know I love you, can't stand the way you do  
Well, you tellin' me it's true now, an that's alright for  
you

Bye-bye, baby baby, bye-bye  
Bye-bye, baby baby, bye-bye  
Bye-bye, baby baby, don't cry

Sometimes I wonder, why don't you write to me?  
Sometimes I wonder, why don't you write to me?  
If I've been a bad fellow, I didn't intend to be

Baby baby, come back home to me  
Baby baby, come back home to me  
You know I love ya baby, my old time 'used to be'
