Evenin', everyday you come and you find me
And you always come and remind me
That my gal is gone, my baby's gone, my baby's gone

Evenin', can't you see I'm deep within your power
Every minute seems like hours
Since my girl is gone, my baby's gone

Shadows fall upon the wall
That's when I need your kiss most of all
And though I try, how can I go on?
Purty baby

Evenin', let me sleep till gray dawn is breakin'
I don't care if I don't awaken, oh Lord, Lord
Since my girl is gone, my baby's gone
My baby's gone, my baby's gone
