Love is just a gamble
Say just what you wanna say
Love is just a gamble
Say just what you wanna say
It's nice to see if you're a winner
If you lose, it's debt that's hard to pay

Can't you see love is a gamble
It makes headlines in the news
Can't you see love is a gamble
It makes headlines in the news
I've always been unlucky
All I ever did in life was lose

Whoa, took a gamble on romance
Just when I thought I had it won
Took a gamble on romance
Just when I thought I had it won
She told me, goodbye, pretty papa
I was only having fun
