You go to church on Sunday, baby
Just to show off your clothes
You got to church on Sunday
Just to show off your clothes
If you don't mean that, baby
There's other places for you to go

Might as well go to a beer tavern
And sit down and drink all day
You might as well go to the tavern
And sit down and drink all day
Said, as soon as you [Incomprehensible] pretty mama
You'll do it anyway

Baby, you should change and stop your wicked ways
Baby, why don't you change your wicked ways?
Baby, you should change and stop your wicked ways
Baby, why don't you change your ways?
This [Incomprehensible]
Is gonna drive you to your grave
