I've got a street walkin' woman, she stays tall an  
twisted all the time  
I've got a street walkin' woman, she stays tall an  
twisted all the time  
She goes to bed with a fifth of whiskey an she wakes up  
with a jug a-wine

She leaves home early in the mo'nin', then she don't  
come back until the sun's goin' down  
She leaves home in the mo'nin', an' she don't come  
back until the sun is goin' down  
She's always got her whiskey up to her mouth, and her  
face full of ugly frown

I work hard everyday, try to make ends meet  
I work hard everyday an try to make ends meet  
All that woman wants to do, is keep her big feet in the  
street

I love my street walkin' woman, she walks the avenue  
up and down  
I love my street walkin' woman, she walks the avenue  
up and down  
Sometime I wish she would start ta walkin', an' keep on  
walkin' outta town
