Why not, why not darling
I don't understand
Why not let me be your regular man

Why not, why not baby
You know you done me wrong
Why not let me love you all night long

I love you baby, you know that's true
Give you all money
What more can I do?

Why not, why not darling
Why not I don't know
Why not let me be your daddy-o

I love you baby, you know that's true
Give you all my money
What more can I do?

Why not, why not darlin'
Why not I don't know
Why not let me love you anymore?
