"Come Clean"

Sun is coming out,
Ain't gonna fall,
You can be on the phone,
You can be alone,
You can be in the sun,
You can be in the rain.
Full of joy,
Full of pain,
With your family,
With your friends, and I'll
Hey, wait,
Everything will be ok if you wait...
And stay...here.
Everything will find its way,
Even this is gonna pass some...day.
Hey You! Come clean.
Hey You! Come clean.
Hold...firm...
In the fire you are pure,
In the fire you are pure as...snow.
Let it fall!

Like a effusion in your heart will fade,
Its only a matter of faith you've nothing to fear.
Hey You! Come clean.
Hey You! Come clean.
Will you be here still after the echo of a scream?
Will you be here still after i come clean?
Hear me out. (repeated)
In the fire you are pure. (repeated)
