Lately, I've been staying up past 1:30
Listening to Dashboard Confessional.
Every songs so slow,
It reminds me of you
And the way we used to be.

You tell me to go to sleep,
"Dear, aren't you tired?"
I said "Yeah, I really am,
But I'd rather stay here with you."
But what did you care,
Shrug me off your shoulders.
It's not like I matter,
It's not like I have feelings, anyway..

Lately, I've been staying up past 1:30
Listening to Dashboard Confessional.
Every song's so slow,
It reminds me of you
And the way we used to be.

Lately, I've been contemplating my future
I wonder who'll love me,
I wonder who'll break me apart like you did.
And I ask myself;
Is it really worth it?
Is she still worth it?
Yeah, she's still worth it.
After all she's put me through, yeah she's still worth it.

Lately, I've been staying up past 1:30
Listening to Dashboard Confessional.
Every songs so slow,
It reminds me of you
And the way we used to be.
(And how you once loved me)

Lately, I've been staying up past 1:30
Listening to Dashboard Confessional.
And crying my fucking eyes out.
Lately, I've been staying up all night

Cause I couldn't sleep,
I was scared I would dream of you.

And tonight I'm sure I'll stay up past 1:30
Listening to Conor Oberst
Beause every song is slow and sad.
It reminds me of you
And the way we used to be.
