And I know it's right again
Just like before its right again

Cant you say you've never met reality
And to say it's just aint right
You get insomnia at the thought of me
Your mental stability is getting to me

Chew me up and spit me out
You just don't know what its all about
Your emotions are tearing me apart
Straight from my weak heart:

I am fine and we're o.k.
I am fine and we're o.k.

Can't you see what you say
Can't you see eye to eye (don't know why)
Every thing seam's to be o.k.
That's o.k. 'cas were having a ball

I am fine and we're o.k.
I am fine and we're o.k.

That's what it's all about
Breaking up every day
That's what it's all about
Breaking up every day

I am fine and we're o.k.
I am fine and we're o.k.
I am fine and we're o.k.
I am fine and we're o.k.
