Busted up fucking up
Drinking all my wages up

All I need is fake i.d
Can you help me find some
fake i.d, fake i.d
that's what I need is fake i.d

I bust' in up I'm fucking up
I'm drinking all my wages up
I got i.d I'm 23 now you gotta serve me
I'd like a beer cool and clear
Just to ease my mind

All I need is fake i.d
Can you help me find some
fake i.d, fake i.d
that's what I need is fake i.d

I'm sitting in the park and drinking in the dark
And I ain't got straight edge
I gotta make it quick cas I feel so sick
Oh look there's a hedge hurr,rr,

All I need is fake i.d
Can you help me find some
fake i.d, fake i.d
that's what I need is fake i.d

fake i.d [x15]

All I need is fake i.d
Can you help me find some
fake i.d, fake i.d
that's what I need is fake i.d
