people think that I have gone insane just because I use my real name

1,2,3,4 stepped off the boat this morning this place is anything but boring I'm in a brand new place People always staring at my face

I shouldn't be here
That's the truth yeah
I shouldn't be here,
That's the truth yeah
I shouldn't be here
That's the truth yeah
I shouldn't be here
That's the truth

From today, I'm going one way From today, I'm going one way From today, I'm going one way From today, I'm going one way

From today, I'm going one way From today, I'm going one way From today, I'm going one way From today, I'm going one way
