"Back Like A Heart Attack"

Visit "[Back Like A Heart Attack](#)" on MotoLyrics.com

When she's up,
And when she's down,
Pick her up,
And take her out,
'Cos she's so sexy,
Sexy like a little one

When she's up,
And when she's down,
Pick her up,
And take her out,
'Cos she's so sexy,
Sexy like a little one

You bet it's back like a heart attack,
You bet it's back like a heart attack,
You bet it's back like a heart attack,
You bet it's back, like a woahhh

When she's up,
And when she's down,
Pick her up,
And take her out,
'Cos she's so sexy,
Sexy like a little one

You bet it's back like a heart attack,
You bet it's back like ahhhhh

Well it's my little girl,
She's so lazy,
She keeps me up all night lately,
The only girl I'd ever want,
Well it's the things she does, yes she's all right,
She keeps me up dancing all night,
Oh I could be her only one

So c'mon now ease my guilty conscience
So c'mon now ease my guilty conscience

When she's up,

And when she's down,
Pick her up,
And take her out,
'Cos she's so sexy,
Sexy like a little one

You bet it's back like a heart attack,
You bet it's back like a heart attack

When she's up,
And when she's down,
Pick her up,
And take her out,
'Cos she's so sexy,
Sexy like a little one

You bet it's back like a heart attack,
You bet it's back like ahhhh

Well this is it now, it's my last chance,
If don't get up on this dance,
I might never see her again,
Well if I'm honest, there's a little player,
Brewing inside this little man,
I know that I'll see her again.

So c'mon now ease my guilty conscience
So c'mon now ease my guilty conscience

When she's up,
And when she's down,
Pick her up,
And take her out,
'Cos she's so sexy,
Sexy like a little one

You bet it's back like a heart attack,
You bet it's back like a heart attack,
You bet it's back like a heart attack

When she's up,
And when she's down,
Pick her up,
And take her out,
'Cos she's so sexy,
Sexy like a little one

You bet it's back like a heart attack,
You bet it's back like a heart attack,
You bet it's back like a heart attack,
You bet it's back like a heart attack
