[Hook - 2x]

You hoes, still can not fade these G's  
We be smoking and choking, and blowing on weed  
Keeping my pistol cocked, when I ride in these streets  
This nine with this beam, will put you bitches to sleep

[Dougie D]

You bitches, still ain't fucking around with the Dougie  
yeah  
I keep it gangsta on my grind on my own, by myself  
You pussy niggaz, is some bitches thinking I don't know  
It's Dougie D I'm a guerilla hoe, and that's fa sho  
I'm in the game, but ain't no games being played by  
me bitch  
I GMS up on my hustle, hoe I'm getting rich  
Grown man shit, bitch and you ain't fucking with it  
Up on my pimping daddy, you niggaz'll never get it  
I'm fucking with Mexican D, Grey D and that Bust Eye  
Whenever I need me some weed, some lean-o when I  
ride  
You motherfuckers got us wrong, bitch we Maab tied  
My niggaz get shot and keep living, guerilla inside of  
em  
Don't be mistaking and thinking, it's all fun and lies  
I'm not in public, so I'm not a suspect when someone  
dies  
You bitches can't fade me, I never will so bitch keep  
trying  
You fucking with a heathen, and that's on my blood line

[Hook - 2x]

[Dougie D]

Yeah I told you bitches, bout this nine and this beam  
Yeah I told you hoes, about fucking round with a G  
I'm from the gutter, but the bayou where you will get  
found  
With one hollow point in your head, and your dick and  
your mouth  
It's Dougie D, and yeah you bitches gon respect it  
pimping

I'm from the streets, so bitch I'm gon have the streets  
repping with me  
And don't be tripping, trying to act just like your  
gangstas thoed  
I'll have you pussy niggaz, beheaded and  
discomposed  
I told you motherfuckers what it is, I came it to wreck it  
Fucking with me, I'll have you updating your dental  
records  
Look I ain't trying to fuck with you boys, I'm a grown  
man  
My 45 sit by my nuts, my 9's in my hand  
Puffing on Bob Marley, waiting for y'all to act retarded  
I put a bullet in your head, your bitch and your partnas  
And I ain't gon tell you niggaz and bitches, no fucking  
mo'  
That you will never ever, never ever fade me hoe

[Hook - 2x]

[Dougie D]

What's happening daddy, the Dougie D gon get it  
cracking  
I'm acting badly with this red beam, on this pad is  
flashing  
You niggaz is stankers, all be some bitch and scared to  
blaze  
But you be talking all that shit to bitches, like you  
prayed  
But you ain't know them bitches you capping to, is my  
hoes  
I'll have 'em fuck you drug you, and whack you and  
take your do'  
Cause look I'm gangsta bout my issue, bitch I'm  
organized  
I told you fuckers, everything I do Maab tied  
Look I got boppers posted up, with tackles stand with  
chopper  
I got Columbians that tear the game, with game's  
impostles  
And you don't wanna see the heathens, creep up out  
the slums  
Up on that neek and nary, all the kinds of fucking  
drugs  
You writing letters talking down, on Dougie from  
Dominguez  
I guess you mad, because this Dougie isn't baby penis  
And I ain't tripping with you bitch, you better watch your  
mouth  
Cause I'm a motherfucking G, I put that on the South
