Been away off to pray like a criminal guilty

Sisterhood, I'm no good get me to a nunnery

Baby, baby

Been a flake a fruitcake never meant to hurt nobody

They arise out of nowhere problems that you can't
foresee

Baby, baby

Do you want blood when

You could have the sweetest revenge?

You could have the sweetest revenge

You could have the sweetest revenge

If you could forgive and forget

I won't heel and I feel like a pervert so dirty

Flowers sent, chocolate, you won't even look at me

Baby, baby

Do you want blood when

You could have the sweetest revenge?

You could have the sweetest revenge

You could have the sweetest revenge

If you could forgive and forget

So it ends lose a friend

You think that it could be so easy

Well maybe not today or tomorrow

But someday soon your gonna miss me

Baby, baby

Do you want blood when You could have the sweetest
revenge
