uhhh...Toni....Foxy....duo

[Foxy Brown]

Tempatures risin' niggas fasizing  
All ballas from Tallahasee to Sicily eh heh  
And it don't stop  
It goes on and on Dom P poppin'  
Straight Shon Donnin'  
Na Na remember me  
The satin panties with marquies and S classes  
Me and Toni prouring with Cristale and wine galsses  
Flashin' we mackin'  
Brown and Braxton

[Toni Braxton]

I'll always think of you  
Inside of my private thoughts  
I can imagine you  
Touching my private parts  
With just the thought of you  
I can't help but touch myself  
That's why I want you so bad  
Just one night of

Moonlight, with you there beside me  
All night, doin' it again and again  
You know I want you so bad  
Baby, baby, baby

Ooooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're making me high  
Baby, baby, baby, baby

Can't get my mind off you  
I think I might be obsessed  
The very thought of you  
Makes me want to get undressed  
I want to be with you

In spite of what my heart says  
I guess I want you too bad  
All I want is

Moonlights, with you there inside me  
All night, doin it again and again  
You know I want you so bad  
Baby, baby, baby, baby

Ooooh, I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise, oh boy  
You're making me high  
Baby, baby, baby, baby

I want to feel your heart and soul inside of me  
Let's make a deal, you roll, I lick  
And we can go flying into ecstasy  
Oh darling you and me  
Light my fire  
Blow my flame  
Take me, take me  
Take me away

[Foxy Brown]  
I can't even imagine you sexin' another chick  
Lacing her in the fly shit  
Louie Viton and so on, give me chills  
Shopping sprees in Beverly Hills, spendin' mills  
Slippin', straight trickin'  
Boutiques and all, stylin',  
While you chasin' I'm playa hatin'  
Contiously sleepin', I stay creepin' in the 850  
Ah, playa ya makin' me high

chorus:
