[DMX]

Uhhhh, uhhhhh

Let's do it, we're startin'

Uh, come on boogie boogie, uh, uh

Lets do it, let's do it, DMX, come on

I been playin' bitches all my life, from that hoe to my  
wife

You think I give a fuck, like you don't know I'm livin' trife

Strife and struggle, bitches with pussy on the juggle

Little shorty named Tomika from 25th who can  
smuggle

Cheese to that Columbian Connection

From that cross-the-water section

Baby nine-seventeen, try for protection

Injection of that shit I'm kickin'

Got you stickin' niggas you got love for

Bring 'em up, touch 'em with the buzz saw

Bitches slingin' rocks, swingin' glocks, bringin' knocks

Holdin' down the fort even when it's steamin' hot

Money's being got but honeys actin' shady

So I hit it with 5 between the 380's

Can't fox a 300 Mercedes

Time like this bring out the savage and shit

Bitches ain't keepin' it real, so I'm damagin' shit

I'm on that scavenger shit, and I'm hungry

Fox with the Dog, it's about to get ugly, for real

Aiyyo

[Both]

1 - Ya bitches suck a dick

(Ya'll niggaz eat a clit)

Yeah, you think you fuckin' slick

(Ya'll niggaz ain't shit)

Ya bitches suck a dick

(Ya'll niggaz want this bitch)

You think you fuckin' slick?

Ya bitches suck a dick

(Ya'll niggaz eat a clit)

You think you fuckin' slick  
(Ya'll niggaz ain't shit)  
Ya bitches suck a dick  
(Ya'll niggaz want this bitch)  
You think you fuckin' slick?

[Foxy Brown]

Nigga fuck you, eat a fat boy  
Do' I stacked on pussy, platinum and lace  
Ain't no smile on my face  
Shit, burn up by the waist  
Fuck him right to the safe and tell him  
Crack the bitch before I blast his bitch  
Ya'll know Na-Na come through  
Dime-chicks, iced up, minked out, roly 6, light grey  
chrome 6  
Go to ask, wanna fuck? Then throw the cash right  
'Aye bitch needs some dick in they life  
Make 'em cop you with rock or just copy some rocks  
Take it all from his dumb-ass, slide on his bum-ass  
I want some shit and I'm hungry, Dog with the Fox  
It's about to get ugly
