Verse:

Standing Far Away From Home
Walking Through The Message On The Phone
This Is... More Than Love

Chorus:

Fly Away
Tell Me That You Want Me Here To Stay
One Day I Will Be A Sunday
Fly Away
Take My Hand We'll Never Say Goodbye
I Can See The Future In Your Eye

Verse:

Standing Far Away From Home
Walking Through The Message On The Phone
This Is... More Than Love
Still I Often Wonder Why
Teardrops Keep On Falling From Sky
This Is... More Than Love

Chorus

How Many Lovers Have You Seen
Could You Be Another One Like Me
In A Fantasy
I Know Why I Run From You
Passion Takes Me When The Night Turns Blue
In A Fantasy Just You And Me

Chorus

Rap:

Why Don't You Come With Me
Into My Fantasy
Your Choice May Be
Virtual Reality

Chorus
