Loving Yols Never Now  
I Feel So Helpless  
Open As A Child If You Could See Me  
In Your Mind Would You Concede  
One Day Being Mine

Chorus:  
You Can Give It To Me  
Get Me In The Mood  
Need A Little Satisfaction  
Open Up 2 U  
Don't You Keep Me Waiting  
Love Me Like You Do  
Need A Little Satisfaction  
Open Up 2 U

So You Tell Me To Understand  
Am I The One  
Is He The Other One  
Now You're Saying We Are Done  
And I Realize  
I'm Not The Only One

Chorus

Over And Over She Let Down  
Took Your Love And Left The Town  
Went Away Went A Way On A Wedding Day  
Bended Knee But She Would Not Stay  
Now You're Hanging Out In The Wind  
Love Is Lost On A One Time Friend  
It Was Easy When You Begun  
Now You See That You're Not The Only One
