Oh we, oh we, oh  
Da girl them, da girl them, da girl them ho  
Oh we, oh we, oh,  
Come on, there's a party tonight

Real and crucial people  
Original king lover talkin' upon the microphone  
Yes, me come like Al Capone  
And me sing

I wanna have sex on the beach  
Come on move your body  
Sex on the beach

I wanna have sex on the beach  
Come on there's a party  
Sex on the beach

I never gonna leave you alone  
The tide is high and the groove is on  
She said her name was Cindy  
"Would you like a drink of me?"

Bikini on the left, Daiquiri on the right  
Come and give me lovin' all through the night  
Do the wild thing, dinga-linga-ling  
Girl I wanna hear you sing

Da girl them, da girl them, da girl them ho  
Them all like to have fun now  
Da girl them, da girl them, da girl them hey

Girl, I wanna hear you sing

I wanna have sex on the beach  
Come on move your body  
Sex on the beach

I wanna have sex on the beach  
Come on there's a party  
Sex on the beach  
Come on there's a party tonight

Oh we, oh we, oh, real and crucial people  
Oh we, oh we, oh, come on there's a party  
Oh we, oh we, oh  
Oh we, oh we, oh, come on there's a party tonight

I met a girl named Eden  
She came straight from Sweden  
I gave her Cuba Libre  
Now she does everything, I say

Ding dong, a ring dong  
Come baby come, no you can't go wrong  
Do the wild thing, take a little swim  
Girl I'm gonna make you sing

Da girl them, da girl them, da girl them ho  
Them all like to have fun now  
Da girl them, da girl them, da girl them hey

Girl, I'm gonna make you sing

I wanna have sex on the beach  
Come on move your body  
Sex on the beach

I wanna have sex on the beach  
Come on there's a party  
Sex on the beach  
Come on there's a party tonight

Da girl them, da girl them, da girl them ho  
Them all like to have fun now  
Da girl them, da girl them, da girl them hey  
Them Humphrey shake them bumper today

All of the girl with da sexy body  
Old a punny, Anny Nanny, air make me see  
Jump and check out and wiggle your belly  
To all the lovers in this party

I wanna have sex on the beach  
Come on move your body  
Sex on the beach

Da girl them, da girl them, da girl them ho

I wanna have sex on the beach  
Come on there's a party  
Sex on the beach  
Come on there's a party tonight

Oh we, oh we, oh, real and crucial people  
Oh we, oh we, oh, come on there's a party  
Oh we, oh we, oh  
Oh we, oh we, oh, come on there's a party tonight
