What happend, to all of us,
The things we say, our evil ways,
Who can we, really trust,
Our lives and betrayal, it's why we pay.

Can you believe in love, lost in this world,
Can you believe in love, and it's not too late.
End of days, and there's a full moon rising,
End of days, and there's a full moon rising, again.

Who are you,
Do you really know,
What you've become, hollow and numb,
Thickness, it eats away,
All of your dreams,
Left sided dreams.

Can you believe in love, lost in this world,
Can you believe in love, and it's not too late.
End of days, and there's a full moon rising,
End of days, and there's a full moon rising.

Can you believe in love, lost in this world,
Can you believe in love, and it's not too late,
Can you believe in love, lost in this world,
Can you believe in love, and it's not too late,
End of days, and there's a full moon rising,
End of days, and there's a full moon rising,
End of days, and there's a full moon rising,
End of days, and there's a full moon rising.

Can you believe in love.
